From December 8th 2025

Called to order at 6:01 pm

Board members present: Steve Cisewski, Trevor Obremski, Shawn Brandt

Town people present were Cedric Burroughs, Brenda Novak, and Carrie Simonis, Scott Williamson, and Joe Strebigr

Trevor made a motion to approve the minutes from November 10th town board meeting, Shawn seconded. All in favor.

Cedric asked about the Z Place2 Be fencing and ordinance. There are no new updates, all it did was by them time.

Cedric asked about paying extra on the garage. We need to put a request in to pay extra or pay in full and once request is made we need to follow through. As of right now there is no plan as interest rates are low.

Cedric brought up grants and if the board was ready to look into them since the weather is now cold. Steve talked to Brent Jacobson about grants. Application for 2026 is closed. When the town does decide to apply for any grants the town will need to have a project in mind. The board has not discussed a plan on what to do in the future with large expenses.

Joe Strebigr asked about leaving his trailer at his house instead of leaving it at the garage. The trailer will be empty. The only concern is road damage that it may cause. The board will discuss and get back to him at the next meeting.

Constable report – town has not had any issues with dogs.

The board voted on poll workers for 2026-2027. Shawn made a motion to approve the poll workers, Trevor seconded, all in favor.

Barb Cisewski, Cathy Javorek, Jan Berry, Arlene Meis. Also voted in were Rita Kolodzeij and Jamie Rombalski the clerk needs to verify with them that they are interested in being a poll worker.

Culvert update – Trevor has a list of culverts that are at the garage. Not sure what culverts were used from inventory for driveways.

Board discussed CD options. Patty will look into CD's and get rates. This will be put on the January 2026 agenda. If all agree they will need to pass a resolution.

Shawn and Steve will attend the 2026 WTA District meeting in Marshfield on January 31st 2026

Shannon asked about the town getting a credit card for the town for town purchases. Trevor made a motion to approve the town getting a credit card with research, Shawn seconded, all in favor. Shannon will look into rates.

Board went through the Phaser Rating and made changes as needed. A comment was made that the 5-year plan should go off of the phaser rating worksheet.
